And What Have You

By BOB CRAIG

Today will be a big day for Hamlin for it is the day that we will honor Dr. M. L. Smith and his family for their many contributions to our community and a big part of this area. We hope that the City Park is just overrun with people tonight at the picnic.

Admittedly, just your presence at the picnic will not solve our doctor and hospital problem over night, but we honestly believe that if enough people show their concern for Dr. Smith and our need for more doctors it will help solve our problem sooner.

Dr. Smith has chosen to remain in Hamlin just as long as he can possibly handle the situation at a great personal sacrifice to both him personally and to his family. And for this we owe him a great big vote of thanks. It would have been much easier for him to move to another community where there were more doctors and where demands upon his time were much less.

This dedication to our community is far above anything that we have any right to expect from an individual and it is important that we recognize this fact and let Dr. Smith know how much we appreciate him.

And of course it goes without saying that each one of us needs to be willing to do anything needed to help secure more doctors and better facilities for our community.

If you are going to be around tonight and are not working we just can not think of anything that you might have to do that would be more important than showing up at the park to honor the Smiths. See you there.

Since this is being written on Monday and our Little League All-Stars do not play Snyder until Tuesday we have no way of knowing how they will come out but either way we can be proud of them.

We congratulate them and their coaches for their first two wins and hope that by the time you are reading this that they have added another win to their string.

It was good to see our new school superintendent, Bob Hawes, on the job this past week and know that he and his family are glad to have their moving over with. We suspect that he will be a very busy man between now and the time for school to get started in mid-August.

We join all of the people of Hamlin in welcoming you to town and know that you and your family will be valuable additions to our community.

We notice that Texas is going to begin the Food Stamp method of supplying food to the people on our welfare rolls. It was pointed out that the federal government will pick up a bigger share of the costs under the program than they will under our present commodity system.

Don't know how Food Stamps will work in Texas but do hope that we do a better job of controlling them than they do in California as Rep. H. R. Gross of Iowa recently pointed out.

Rep. Gross pointed out the following as a typical case of welfare being misdirected. It is a tale that makes the average taxpayer wonder what is going on.

A hippie who hangs around Berkeley, whose principal source of income seems to come from peddling copies of an underground newspaper once a week, is eligible for food stamps.

He boasts that for 50 cents he buys \$28 worth of food stamps. The food stamp department at Wells Fargo Bank confirms this price and adds that it is a common practice.

Each week the hippie uses the stamps to buy exactly \$27.51 worth of groceries and gets 49 cents back in cash as change, the maximum

Group to Look At Girl Scout Program Here

Due to lack of interest on the local level and regulations now in effect by The National Camp Fire Girls organization, the local organization will have to be dissolved.

According to information received here, the National Camp Fire program is discontinuing association with councils in towns with less than 5,000 population.

Local workers are looking into the possibility of the Girl Scout program here.

All interested parents and others are asked to meet with Shelia Moss, Scout representative from Abilene, and Johnny Ammons of Roby at the high school cafeteria at 8 p.m. Tuesday.

A film on Girl Scouting will be shown and questions will be answered at this time.

Anyone interested will be welcome and anyone who would like to sponsor a group is asked to call Mrs. Jack Wicker, 576-2307, or Mrs. Don Pyron, 576-3024.

Local Couple Injured In Car Wreck

Mr. and Mrs. Elmer C. Feagan were seriously injured last Wednesday when their car was in collision with a panel truck at the Stamford "Y".

The accident occurred about 6:30 p.m. Wednesday. The Feagan vehicle, a 1970 Cadillac, driven by Mrs. Evelyn Prude of Del Rio, niece of Mrs. Feagan, was struck by a Tex-Pac truck. Mr. and Mrs. Feagan and E. C. Stoner, Tex-Pac driver, were taken to Stamford Memorial Hospital by ambulance.

Mrs. Prude was taken to the hospital by private auto, received first aid treatment and released.

Mrs. Feagan, the most seriously injured of the trio, received a fractured ankle, broken collar bone and fractured spine. Feagan had a scalp laceration, concussion, other cuts and severe bruises. He is reported doing all right.

Mrs. Feagan had surgery Monday morning and is reported to be doing well.

The accident was investigated by Highway Patrolman Jerry Owen. The Feagan auto was travelling east on Highway 92. The panel truck was going north on Highway 277.

1973 Wheat Yields May Be Proven, Deadline July 28

Wheat producers desiring to prove farm yields will again be required to submit evidence for the 1969-1971 base period before preliminary farm yields are determined according to Mr. J. Noel Weaver, Chairman of the Jones County ASC Committee.

The certified wheat acreage plus failed, pastured or hayed wheat credited as wheat (including that credited as wheat for substitution purposes) will be used for proven yield purposes.

The producer is required to identify all fields and subdivisions on a map each of the years where such acreages were not viewed or measured by an ASCS Representative.

Mr. Weaver stated that an intention must be filed at the County ASCS Office not later than July 28, 1972 if a producer

LL All-Stars to Play In District 5 Finals

The Hamlin Little League All-Stars jumped to a four run lead over the Snyder All-Stars here Tuesday evening and held on for 7-6 victory and the right to advance into the finals of the District 5 playoffs.

The local All-Stars will meet the Northern All-Stars of Abilene at Dixie Little League Park in Abilene at 7:30 p.m. tonight (Thursday).

Bo Ervine, winning pitcher for Hamlin, went the distance

as he gave up seven hits, including four home runs, but managed to halt the Snyder catch up effort.

Getting their four run lead in the first inning, the local All-Stars stayed in the lead during the entire game.

Hamlin earned the right to meet Snyder here by defeating

Ag Teachers To Attend State Meeting

Milburn Wink and Gary Finley, Hamlin vocational agriculture teachers, will be attending the annual conference and four day in-service workshop in Ft. Worth, Aug. 1-4. The workshop is sponsored by the agriculture education department of Texas Education Agency.

Conference headquarters are the Sheraton-Fort Worth Hotel. During the Area II meeting Friday morning, Wink will be on the program discussing summer Future Farmer of America activities.

TEXAS CENTRAL—

FW&D to Acquire Railroad

Plans to acquire the 42-mile line of the Texas Central Railroad between Stamford and Rotan were announced Wednesday, July 19, by Paul F. Cruikshank, president of Fort Worth and Denver Railway, following approval by the company's board of directors. The purchase is subject to approval by the Interstate Commerce Commission.

Cruikshank said that the directors acted after consideration of a detailed study which had indicated that purchase of the line in Jones and

A big banner spanning main street will proclaim to all who pass this way that Hamlin, a small West Texas town of 3225 population, really appreciates their only doctor.

Today, Thursday, July 27, has been proclaimed "Dr. Marshall Leroy Smith Appreciation Day" and special activities have been planned to honor the doctor and his family. Posters of appreciation have been placed in windows of business throughout the city and the street banner reads "Dr. Smith Day."

The day was set aside to honor Marshall Leroy Smith, M. D., for his devotion and service to Hamlin and the surrounding area.

With the smaller towns' growing problem of having doctors to serve the community, Hamlin has chosen this way of showing their appreciation to the town's lone physician.

A city-wide picnic at 7 p.m. in City Park is planned with an open invitation to all to bring their picnic basket and join in the tribute being paid to Dr. Smith and his family this evening. Soft drinks will be sold.

A physician here for 23 years, he has been in the medical profession for 27 years. Since June 6 he has been the town's only doctor.

Dr. Smith sees patients by appointment on Monday, Tuesday, Thursday and Friday.

Wednesday is his day off, however, he makes hospital rounds and sees patients that need attention and is always available for emergencies. His Saturday schedule follows a similar routine. He is never away from a telephone and is on call 24 hours a day, seven days a week.

He likes to play golf but his game is frequently interrupted by emergencies.

Dr. Smith was born Sept. 28, 1920 in Vernon and was graduated from high school there in 1937. He married the former Dorothy Sorrell of McKinney June 6, 1943.

He graduated from the University of Texas and completed Baylor Medical School in 1945. From 1946 to 1948 he served in the U. S. Army attached to the Veterans Administration Hospital in Amarillo.

The couple lived in Dimmitt for a short time and moved to Hamlin in December, 1949.

He is a member of the American Medical Association, Taylor-Jones County Medical Society and Texas Medical Association.

Dr. Smith served on the board of trustees of Hamlin Independent School District for 15 years, from 1957 to 1972, and was president from 1970 to 1971. He is also a past president of

Little League and Lakeview Golf Club and has served as City Health Officer a number of years.

He and his wife are members of First United Methodist Church.

Mrs. Smith is a past president of the Hamlin Parent Teachers Association, Xi Gamma Pi Sorority and the Women's Golf Association. She is also a member of Women's Society of Christian Service at First United Methodist Church and has held various offices.

Their three sons are all graduates of Hamlin High School and were active participants in sports and other school activities.

Mark, 26, is completing work on his doctorate in anatomy at Texas Medical School in Galveston. He will enter Galveston Medical School in September. He is also in the Marine Reserve.

Mike, 23, is a wild life major at Texas A&M University. He served two years in the U. S. Navy and is in Naval Reserve.

Gary, 20, is a pre-law student at the University of Texas at Austin. He is taking courses this summer at McMurry and will be the only son who will get to be here for the special day.

The Smith's only daughter-in-law, Mark's wife, Ann, flew in from Galveston Wednesday evening. The older boys were unable to come home because of their studies.

Today, the town places special emphasis on expressing their appreciation for Dr. Smith's devoted service to the people of this area.

AUGUST 14—

Hearing Set for \$703,360 1972-73 School Budget

The Board of Trustees of the Hamlin Independent School District adopted a proposed budget for the 1972-73 school year at their regular meeting this past week and set the public hearing on the budget for Monday, Aug. 14.

The hearing will be held at 7:30 p.m. in the Board Room at the high school building.

The budget shows total revenue for the year from all sources at \$704,800 and total expenditures for the year at \$703,360.50.

A breakdown on the receipts for the year calls for \$349,487 from local sources, \$346,992 from state sources and \$8,321 from federal sources.

The expenditure side of the budget calls for spending \$426,966 for instruction services,

\$26,225 for instructional related services, \$35,815 for pupil services, \$42,229 for administration, \$58,700 for plant maintenance and operation, for a total of \$589,935 for local expenses.

Budgeted for debt service is \$76,762.50, which includes \$40,000 for principal and \$36,562.50 for interest.

Other expenses include \$28,342 for Title I and \$8,321.00 for Headstart.

The budget for the coming year reflects an increase of about \$29,000 over last year's budget with additional income coming from the increase in the tax rate from \$1.41 to \$1.50 per \$100 valuation.

About \$11,000 of the increase is for teacher salary increases as set by the state, part of the money is for an additional bookkeeper to handle the new bookkeeping system required by the state and the balance of the increase is due to various other increases in operating costs.

Visiting in the home of Mr. and Mrs. Gus Young Jr. last week were his sister and niece, Mrs. Willard Powell and Beth of Opp, Ala.; their daughter and granddaughter, Mrs. Jerry Cannon and Stephanie of Arlington; and a niece, Julie Birdsell of Corpus Christi.

Mr. and Mrs. Dwight Wallace of Richardson are parents of a boy, Brent Dwight, 7 lbs. 1 oz., born July 18. His paternal grandmother is Mrs. Floyd Wallace.

TEN YEARS AGO
(June 28, 1962)

In action taken Tuesday night by the Hamlin City Council the water and sewer charges have been increased effective August 1. The minimum charge on the water rates has not been changed, only the charges above the minimum were raised. The total sewer and sanitary charges were raised 75 cents on each family.

The Amateur Rodeo under the sponsorship of the Hamlin Riding Club came to a successful close Saturday night after three days of outstanding performances.

The summer recreation program at Hamlin High School has received good response this year although more young people could still be included. The program is sponsored jointly by the school and the Hamlin Jaycees.

The Hamlin Women's Softball team played Hermleigh there Tuesday night and were defeated in the close contest, 15-14.

In "Big Red" the warm and poignant story of a grand champion Irish Setter and the boy who wins him in a fantastic series of adventures, Walt Disney has one of his best and most exciting feature motion pictures to date, opening Saturday at the Drive-In.

FORTY-THREE YEARS AGO
(June 28, 1929)

The Hamlin Cream Route which was inaugurated a little more than a month ago has increased from 8 to 34 customers, and from 80 pounds of cream to 250 pounds daily. This route gathers cream and delivers it to the Creamery at Stamford, where the farmers are paid a net price of 50 cents per pound, one of the highest prices in the state at this time.

According to a report coming through the Chamber of Commerce, the Teague oil test, ten miles east of Hamlin has good showing of oil. If this well should prove a producer it would mean that Hamlin sets in the center of one of the most extensive oil fields in Texas.

The soil at the City Park is being tested for the foundation of the new High School Building. As soon as the test is completed the architect will complete the plans and work of construction will commence immediately.

The Woman's Missionary Society of the Methodist Church enjoyed a most profitable Voice program Monday, June 17. The broken home rebuilt was the theme for discussion.

amount of change he can get on a purchase. Then he adds one penny to make the 50 cents to get his \$28 worth of stamps the next week.

The fourth week of the month he sells his food stamps to friends for \$15 cash. Thus in a month's he's paid out 53 cents for \$112 worth of stamps for which he gets \$82.53 worth of food and \$14.47 net profit in cash.

A food store saleswoman says, "Can you imagine how this adds up when there are 15 hippie kids living in a commune, and all are doing the same thing? No wonder they laugh at the Establishment!"

And it's no wonder that welfare programs are in trouble.

Food stamps were devised to help a poor family expand its budget for food. No doubt most of the food stamps are used that way. But when the hippies use this dodge to get fed without working and when strikers can qualify for food stamps, something is out of joint with the entire welfare program.

If Texas gets this food stamp program going and McGovern gets elected president and passes out this \$1,000 to everyone as he has promised, then we know where you can buy a good newspaper. Think we'll just retire at a lake somewhere, take it easy and live off of the rest of you suckers who are still working.

COMMUNICATION

Telephone lines spread across our nation, giving us immediate contact with loved ones. Vital business is rapidly contracted through this medium.

Our linkage to God is prayer. Through prayer we can express our love, our thanks, and seek God's help.

"Hearken unto the voice of my cry, my King, and my God: for unto thee will I pray."

Attend church, join others in fellowship and prayer to God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

THE PEOPLE OF HAMLIN AND THE SURROUNDING AREA
SALUTE DR. M. L. SMITH AND PROCLAIM
THURSDAY, JULY 27
DR. M. L. SMITH

**APPRECIATION
DAY**

OUR DOCTOR SMITH

Out in the great state of Texas, in a warm and friendly town,
There remains "ONE" doctor whose ties are anchored down.
For 23 years he's served this community so faithfully and well;
The lives for which he's cared and saved would be difficult to tell.

He's an excellent doctor, but he's human, like you and me;
He needs time to eat, sleep, and time to relax, you see.
He's not an ordinary doctor; he's a dedicated one;
And our respect and admiration, he's so justly won.

Dr. Smith often receives an unnecessary call;
Such was the case when my husband took a fall.
He had fainted, and was lying unconscious on the floor,
But when Dr. Smith arrived, Donald met him at the door.

"Why, Leroy," he said, "there's no need for you to be here;
I just fainted, and cut my lip, I fear."
Dr. Smith just turned, and with a dry little smile,
Said everyone was entitled to faint once in a while.

Dr. Smith is widely known for his ability and skill;
Consequently, other hospitals and doctors have tried to steal.
Many fabulous offers (with modern facilities) have been made,
But because of his love for the people of Hamlin, he has stayed.

He could have named his hours, and his price, as well,
But his concern for Hamlin was not for sale.
He could have moved and had more time for his family at home;
More time to play golf - or - vacation where the wild deer roam.

His three sons, Gary, Mike, and Mark
Have added to this community a continuing spark.
Each of them graduated from our high school here,
And contributed to activities and sports year after year.

They say that a woman is behind every great man;
And with a wife like Dorothy, this is easy to understand.
Dorothy, we appreciate your support, your patience, and your
encouragement, too.
We know that doctors' wives like you are very few.

Dr. Smith, we, the people of Hamlin, really appreciate you.
We admire your integrity, your spirit, and your sacrifices, too.
As your patients, we feel safe and secure under your care;
As your friends, we cherish knowing a doctor par excellence and rare.

We pledge to you our prayers for other doctors to share your load;
But we shall always remember when you traveled singly along the road.
Our words are inadequate to express just what we feel -
We cannot reward you; but someday, God in heaven will!

NEWS FROM . . .

Sylvester

by Mrs. R. M. Babb

We are grateful for the 1.80 in. of rain last week.

Mrs. Buster Lambert's brother from California has been visiting her again this summer.

Capt. and Mrs. Jimmy Lanning, James David and Jennifer of Ft. Bragg, N. C. returned to their home this morning, having spent a couple of weeks visiting in the Jim Lanning home here and with her parents, the Edwards in Rotan.

We would like to congratulate Mrs. Alice Arnold of Brownwood on her 100th birthday she is celebrating this week. Mrs. Arnold is the mother of our own Mrs. Loys (Myrtle) Smith.

A gift tea was given in the home of Mrs. Velma Reed last Thursday afternoon honoring Renia Kelly, bride-elect of Terry Buck.

Some 53 people signed the register and many lovely gifts were received.

The serving table was pink overlaid with white lace and a lovely flower arrangement, with punch and cake served. Coffee and cookies were served.

We were very sorry to learn of Vera Culbertson's car burning last week. She was very lucky to receive only burns on her hand and to have her hair singed.

Mrs. Maggie Wilder of Dallas, Mrs. Lena Tindal and Mrs. Clara Montgomery of Sylvester visited Mrs. Modell Kiser, Mrs. Myrtle Edwards, Mrs. Mae Edwards and Mrs. Ella Scott in Holiday Lodge in Hamlin last week.

Mr. and Mrs. Delma Williams of Haskell, Mike and Barrie Casey of Houston visited in the R. M. Babb home last Thursday.

Mr. and Mrs. Jimmy Purvis of Euless came for their daughters over the weekend taking them home with them.

Mr. and Mrs. J. P. Maberry and Mrs. Holden drove to Irving Saturday afternoon and visited in the Wesley Maberry home.

The Jerry Prather family of Sweetwater spent Sunday afternoon in the home of the W. B. Browns.

Bernice Adcock and four children of San Antonio brought Mrs. Raymond Kiser, Chris, Becky and Judy home and are spending a few days with the Kiser family.

Mr. and Mrs. A. J. Ford and Mrs. Bill Watson drove to Tahoka Sunday to visit a cousin who has suffered a severe heart attack. Mrs. Watson now lives in Trent.

Visiting in the home of his grandparents, Mr. and Mrs. Ross Douglass, last week was James Douglass of Abilene. He is the son of Mr. and Mrs. Kenneth Douglass.

An 'Old Fashioned Pounding' was given the Pastor Bro. and Mrs. Milton Jennings and children at the Baptist church after services Sunday night. Punch, coffee and cookies were served.

Artie Smith is home after several days visiting in Dallas.

Janna Jennings is visiting this week with her cousin, Jody, in Eula. Both the Jennings boys are at R. A. camp at Lueders.

Mr. and Mrs. James Putman of Roby visited in the home of Mr. and Mrs. Woodrow Lawlis one evening this week.

Mr. and Mrs. Guy Mauldin are enjoying new siding and new roof on their house. It surely is pretty.

Family Income In Jones County Below Average

Average family income was \$6,341 in Jones County in 1969, compared with \$8,490 for the State, according to a report on the 1970 census by the Bureau of the Census, U. S. Department of Commerce. Per capita income for the county amounted to \$2,405, the report shows.

The 1970 census counted 16,106 residents in the county; 0.9 percent were foreign born and 3.9 percent native born with one or both parents of foreign birth.

Among the county's 15,026 inhabitants age 5 and over in 1970, 2,465 were living in a different county within the State in 1965, and 283 in a different state.

In the population age 16 and

over, 71.7 percent of the men and 34.3 percent of the women were in the labor force. Among the employed, 36.3 percent were holding white collar jobs, and 11.7 percent were government workers.

About 37.3 percent of the married women with husband present were in the labor force, and 29.6 percent of these wives had children under six.

There were 3,556 persons 3 to 34 years old enrolled in school. In the 25-and-older population, 31.7 percent of the men and 34.4 percent of the women were high school graduates.

Copies of the report, "General Social and Economic Characteristics, Texas," PC (1) -45C, are available for \$6.00

Suspension of Beef Import Quotas To Have Little Effect On Prices

President Nixon's suspension of the beef import quotas will probably have little effect on prices received by cattlemen, according to Kirby Clayton, Jones County Agent.

Clayton stated that recent research in the Department of Agricultural Economics and Rural Sociology showed that imports for the last half of this year would have to increase 20 percent over the first half to reduce choice cattle prices a penny a pound. Choice steer prices were about 38 cents per pound in the first week of July.

The 20 percent increase would amount to only one pound of

hamburger per person over the next six months.

The greatest effect of the imports will be on manufacturing beef — the kind used in hamburgers, hot dogs and other processed products, Clayton said. Nations such as Australia and New Zealand export only the lower grades of beef to the United States because the U. S. normally produces enough choice and good grades to meet its own domestic demand.

Also affecting the amount of beef to be imported was the recent temporary suspension of import tariffs on beef by the European Common Market. This suspension, coupled with world demand, may limit the extra amount of beef the U. S. can import this year.

But prices on beef will probably drop anyway, Clayton said, because of an expected increase in domestically fed beef later this year. Research from a study by a Texas A & M Research group suggests that prices to cattlemen may drop as much as four cents a pound due to an expected 10 percent increase in cattle production. However reduced pork supplies

or higher personal income could counteract part of the drop.

The increase in domestic supply would result in an additional five to six pounds of beef per person during the next six months.

Clayton noted that prices are currently higher than most earlier predictions had expected. Factors such as rising demand due to higher incomes timing of marketings, and unexpected changes in supply due to weather or changes in technology affected market prices.

Their results are based on the response of the market to quarterly changes in imports and domestic production during the 1960's.

Attend Rites In Longview For Mrs. Doan

Mr. and Mrs. Virgil Steele, Mr. and Mrs. John H. Steele and Alan, and Mrs. Robert (Marcia) Moore have returned from Longview after attending the funeral of their granddaughter, niece and cousin, Mrs. Christ Doan of Kansas City, Mo., Monday.

Mrs. Doan, 23, the former Jan Martin, was the daughter of Mr. and Mrs. John Byron Martin, former residents of Hamlin and McCaulley and now of Longview.

Mrs. Doan was killed in a one-car accident near Hays, Kans., Friday as she and a three-car group from her church in Kansas City were returning home after taking a group of girls to attend Ateen Week at Glorieta, N. Mex.

Mrs. Doan was driving her small car, an Opel, when struck by a hard wind gust that overturned the car, throwing it over an embankment. Three other girls in the car with her escaped injury except for one who had a slight fracture of the collar bone.

Mr. and Mrs. Virgil Steele, accompanied their daughter, Mrs. Bill (Sarah Ann) Ford of Abilene and her daughter Mary of Dallas flew to Longview early Saturday morning. Mr. Ford and the Johnny Steele family drove down Sunday.

Other survivors are her husband, Christopher Doan, with TWA in Kansas City; a brother, Ted, of Longview, an uncle, Major R. Gene Steele of Ft. Hood; her aunt, Mrs. Etta Bond of Hamlin, her paternal grandmother, Mrs. Jim Martin of Weatherford; two great grandmothers, Mrs. Etta Stephenson of Hamlin and Mrs. John M. Steele of Ft. Worth; an aunt, Mrs. R. L. Kirk, whose husband is pastor of Aldersgate Methodist Church in Abilene, and other aunts and uncles in Dallas, Ft. Worth and Port Arthur.

Rev. John Ferguson, pastor of Denver City Baptist Church and cousin to Mrs. Doan, assisted Dr. Johnson, pastor, with the funeral service in Moberly Avenue Baptist Church.

Visiting in the home of Mr. and Mrs. Andy Bundas Sunday were Mrs. Jerrell Walker of Wingate, sister-in-law of Mrs. Bundas; Mrs. Walker's mother, Mrs. Lawrence Bryan of Winters, Mrs. Cal Summerall of Potosi and daughter, Neisa, and Mrs. Ray Allard of Istanbul, Turkey. Later they visited Mrs. Susy Baker in Holiday Lodge, who is a former resident of Winters.

5,293 Houses In County Have TV Sets, Census Shows

The 1970 Census of Housing counted 6,715 housing units in Jones County, and 5,293 households had at least one television set (1,316 UHF-equipped), the Bureau of the Census, U. S. Department of Commerce, announced today. The figures are from the first report for Texas which presents detailed statistics on housing for each county.

The report shows that in the county:

There were 3,646 housing units with air conditioning (2,798 with room units and 848 with a central system), 3,249 units with a clothes washing machine, 1,692 with a clothes dryer, and 789 with a dishwasher.

The 1970 population was 16,106, with an average of 2.8

persons per housing unit.

A total of 4,217 housing units were built before 1949, 1,402 during the 1950's, 694 during 1960-64, and 398 within the five years preceding the April 1970 census.

Utility gas was used to cook the meals in 2,994 households, electricity in another 1,435, and bottled, tank, or LP gas in yet another 1,089.

There were 6,410 housing units with complete kitchen facilities and 6,246 with complete bathrooms, both for the exclusive use of the households. The number of bedrooms in all housing units ranged from none (in 81 units) and one (in 928 units) to four or more (in 241 units).

Owners occupied 4,192 units, renters 1,521 units, and a total of 998 units were vacant year round with 76 for sale and 227 for rent.

Copies of the report, Detailed Characteristics, 1970 Census of Housing, Texas, HC (1) -B45, are available for \$5.25 each from the Superintendent of Documents, U. S. Government
